

CH2MHILL

Plateau Remediation Company

Cooperative (Co-op) Learning EMPLOYMENT OPPORTUNITY

Available to WSU-TC & CBC Students

PROGRAM BENEFITS:

Enables student to earn money to help finance his/her college education.

Makes academic work more meaningful through practical application of classroom principles.

Creates the proper environment to explore career choices and be professionally exposed to diverse opportunities within a specific field of study before graduation.

Offers the opportunity to collaborate and network with professionals who have many years of experience in the student's major field of study.

Student can retain an active enrolled status while working as a part-time Co-op employee.

HOW TO APPLY:

Send a resume and cover letter to:
CHPRCCo-Op@rl.gov.

CH2M HILL Plateau Remediation Company (CH2MHILL) is extending opportunities to Washington State University, Tri-Cities (WSU-TC) and Columbia Basin College (CBC) students who aspire to gain paid professional work experience while completing their academic program. CH2MHILL, in partnership with WSU-TC and CBC, has established a Cooperative (Co-op) Learning Employment Program designed to offer students meaningful, professional work opportunities with the ultimate goal of providing the students with additional skills and experience to prepare them for potential full-time employment with the Company following their graduation.

Positions in engineering, environmental science, business administration, computer science, communications, and other fields are available for students who demonstrate motivation, enthusiasm and a desire to grow professionally.

To qualify for a Co-op employee position, applicants must:

- ◆ Be at least 18 years of age
- ◆ Be a U.S. citizen
- ◆ Be enrolled with WSU-TC or CBC during the two semesters immediately preceding the assignment with CH2M HILL
- ◆ Be a full-time junior, senior or graduate student
- ◆ Maintain an overall GPA of at least 2.5 (on a 4.0 scale) throughout college experience
- ◆ Be committed to staying in school through graduation
- ◆ Be willing to commit to 20 to 32 hours of work per week (some exceptions may apply)

CH2M HILL Plateau Remediation Company is the prime contractor for the safe, environmental cleanup of the Central Plateau at the Hanford Site. Headquartered near Denver, Colorado, USA, employee-owned CH2M HILL is a global leader in consulting, design, design-build, operations and program management for government, civil, industrial and energy clients.
